- ✓ You cannot attend a class if you are not officially registered for the class.
- ✓ After the Add/Drop deadline expires, you must withdraw from a class if you wish to stop attending. Your registration status and full tuition liability for the course will still be applicable if you do not initiate the withdrawal process. Withdrawal forms can be found online and in the Registrar's office, and must be submitted in writing to the Registrar's Office. Withdrawals cannot be processed online.
- ✓ Undergraduate students are considered to be full-time when registered between 12 to 18 credits. Any additional credits will be considered an overload. Graduate students are considered full-time when registered for 9 or more credits.

- ✓ Your FAFSA must be received by the Financial Aid Office before aid can be awarded. File online at [www.fafsa.gov](http://www.fafsa.gov). The College of Saint Rose school code is 002705.
- ✓ Full-time (NYS resident) undergraduate students should complete a TAP application at [www.hesc.org](http://www.hesc.org). Our school code is 0140. Use this website to make a school code change.
- ✓ If you wish to borrow funds through the Federal Direct Loan Program:
  - You must be registered for a minimum of 6 credits.
  - You must accept the loan amount, up to the amount offered on your financial aid award letter.
  - Go to [www.studentloans.gov](http://www.studentloans.gov) to complete a Master Promissory Note (MPN).
  - First-time borrowers must also complete Loan Entrance Counseling at [www.studentloans.gov](http://www.studentloans.gov).
- ✓ If your FAFSA is selected for verification, all requested documents must be submitted to the Financial Aid Office before funds will pay to your account.
- ✓ A final high school transcript is required from new undergraduate students before aid/loans will pay.
- ✓ If you receive financial aid, you should check with the Financial Aid Office before withdrawing from one or more courses. Your financial aid is earned in direct proportion to the number of days attended during the academic term. This withdrawal could cause the college to return financial aid funds, leaving you with a balance owed. This could also lead to loss of financial aid in a future academic term.
